[Bb] Oh.. [F] love, a thing called [G] lo..[G]..ve

[Bb] Oh.. [F] love a thing called [G] lo..G↓..ve

N.C. Six-foot [C] six he stood on the [C] ground,
Weighed two [C] hundred and eighty-five [C] pounds
But I saw this [Dm] giant of a man brought [G7] down to his knees by [C] love [G7]
The kind of [C] man that would gamble on [C] luck,
Look you in the [C] eye and never back [C] up
But I saw him [Dm] crying like a little, whipped [G7] pup because of [C] love [C]

Can't see it with your [C] eyes, hold it in your [F] hand
But like the [Em] rules that govern our [Am] land, it's strong enough
To [F] rule the heart of any [Dm] man, this thing called [G] love [G7]
It can lift you [C] up, it can let you [F] down,
Take your [Em] world and turn it all a-[Am]-round, [Am] ever since
[C] Time nothing's ever been [G7] found that's stronger than [C] love [C]

[Bb] Oh.. [F] love, this thing called [G] lo..G↓..ve

N.C. Men like [C] me we struggle and [C] doubt,
Trouble our [C] minds day in and day [C] out, too busy
With [Dm] living to worry a-[G7]-bout this thing called [C] love [G7]
But when I [C] see a mother's tender-[C]-ness,
Holding her [C] young one close to her [C] breast, I thank
[Dm] God that the world's been [G7] blessed with a thing called [C] love [C]

CHORUS

Ever since [C] time nothing's ever been [G7] found that's stronger than [C] love [C]
Ever since [C] time nothing's ever been [G7] found that's stronger than [C] love [C]
[Bb] Oh.. [F] love a thing called [G] lo..[G]..ve
[Bb] Oh.. [F] love a thing called [G] lo..G↓..ve
