[C] [Csus4] [C] [Csus4] [C] [Csus4] [C] [Csus4]

[G] you must leave now take what you [F] need you [C] think will last
but what [G] ever you wish to keep you [F] better [C] grab it fast
[Dm] yonder stand's your [F] orphan with his [C] gun
[Dm] crying like a [F] fire in the [C] sun
[E7] look out the saints are [F] coming [G] through
and [Dm] its all over [F] now baby [C] blue [Csus4] [C] [Csus4]

the [G] highway is for gamblers [F] better use your [C] sense
[G] take what you have gathered [F] from co [C] incidence
the [Dm] empty handed [F] painter from your [C] streets
is [Dm] drawing crazy [F] patterns on your [C] sheets
[E7] this sky too is folding [F] under [G] you
and [Dm] its all over [F] now baby [C] blue [Csus4] [C] [Csus4]

[G] all your seasick sailors [F] they are all [C] rowing home
your [G] empty handed armies [F] they're all going [C] home
the [Dm] lover who has just [F] walked out your [C] door
has [Dm] taken all the [F] blankets from the [C] floor
the [E7] carpet too is moving [F] under [G] you
and [Dm] its all over [F] now baby [C] blue [Csus4] [C] [Csus4]

[G] leave your stepping stones behind you [F] something [C] calls for you
for [G] get the dead you've left they [F] will not [C] follow you
the [Dm] vagabond who's [F] rapping at your [C] door
is [Dm] standing in the [F] clothes that you once [C] wore
[E7] strike another match go [F] start a [G] new
and [Dm] its all over [F] now baby [C] blue
yes [Dm] its all over [F] now baby [C] blue [Csus4] [C] [Csus4]
